We Communicate.
We Close.**

The team at Bank of England are a pillar of our business. Here at the Round Table we pride ourselves on a unique blend of Boutique customer service and Big Brokerage power and the team at BOE simply get it. They give great customer service like your corner banker while having the power and leverage that you might find at one of the heaviest of hitters. That's the sort of place that Round Table is proud to be associated with and at the same time share in ideals. Thanks BOE for supporting the Table and coming through time and again.

What Our Realtor Partners Say About Us.

We completely and with absolutely no reservations recommend the Bank of England for any real estate professional looking for a reliable lender to work with. In the two years since we've made them our "go to" bank we have never had a closing delayed - and most times are done with days to spare. We're totally comfortable working with Bank of England, and putting our paycheck in their hands.

Rachel and Patrick Dorrian, KELLER WILLIAMS REALTY

Persistence, perseverance and professionalism are the best words that describe Bank of England's dedication to excellence. I have the utmost confidence in their competence and would highly recommend them to any of my industry partners.

Sonny Downey, EXIT REAL ESTATE GALLERY

Bank of England has handled mortgage loans for numerous of my customers. They listen to the client's needs, provide guidance to help them choose the correct mortgage product and are responsive to concerns throughout the approval process.

Lynn Whitley, DAVIDSON REALTY, INC.

I have worked with several, other "well known" lenders and none can compare to the professionalism and timeliness Bank of England has delivered time and time again. They have assisted me with making my customer's "Dreams Come True" and I will continue to partner with them. Thank You Guys!

Our Strength Lies In Our Partnerships.

The Bank of England is a local bank in Jacksonville FL, who is a Fannie Mae and Freddie Mac lender, a HUD direct endorsement lender and VA automatic lender. As a state chartered bank, we are able to make loans nationwide. These loans are generated directly with the consumer through ongoing relationships and referrals from realtors, builders, existing customers, financial professionals and other residential mortgage loan professionals. All of our loan decisions are made on site because we do not depend on third party approvals.

An integral part of our mission here at The Bank of England is investing significant time and energy into building long lasting partnerships with professionals in the community.

Our Credit Managers and Mortgage Bankers don't just take care of the loan process, we also act as a mortgage-for-life advisor, helping clients assess their finances on a larger scale. Our range of products offers something for everyone, and we'll help you find out which one is right for you.
